

The World Around Us

You are going to talk about what living is like—for you and for other people in the world.

BE ACTIVE AND SPEAK ENGLISH ALL THE TIME!

Part One

Talk about the place where you live
—take turns to...

Tell each other about:

- your house / apartment
- the area / surroundings
- things to do there

Ask each other about:

- neighbours
- what you think of the place (*why?*)

Part Two

- Pick a blue card and read the statement aloud
- Say if you agree or disagree
—explain why and give examples
- Ask your friends what they think and why

Part Three

- Pick a red card and read the question aloud
- Discuss your own opinions about the question
—and also what other opinions there are
